

## Conference talks

|      |        |  |
|------|--------|--|
| 2018 | Apr 18 | <b>Computing inflationary predictions in general scalar-tensor theories</b> <a href="#">[Link]</a><br><b>BritGrav18 meeting</b> , <i>Institute of Cosmology and Gravitation, University of Portsmouth.</i> |
|      | Feb 13 | <b>Generalized slow-roll approach for Horndeski inflation</b> <a href="#">[Link]</a><br><b>Gravity and Cosmology 2018</b> , <i>Yukawa Institute for Theoretical Physics, Kyoto University.</i>             |
| 2017 | Sep 13 | <b>Meeting on Fundamental Cosmology</b> , <i>Centro de Estudios de Física del Cosmos de Aragón.</i>  |
|      | Aug 30 | <b>COSMO-17</b> , <i>Paris Diderot University.</i>   |
| 2016 | May 25 | <b>Do current data prefer a nonminimally coupled inflaton?</b> <a href="#">[Link]</a><br><b>Planck 2016</b> , <i>University of Valencia.</i>   |

## Seminars

|      |        |  |
|------|--------|--|
| 2018 | Dec 12 | <b>Inflation beyond GR</b> <a href="#">[Link]</a><br>2nd <b>Valencia Winter Workshop</b> on Theoretical Physics, <i>University of Valencia.</i>  |
|      | Oct 16 | <b>Theoretical seminar</b> , Theory Group (hosted by Vincent Vennin).<br><i>APC – Paris Diderot University</i>   |
|      | Mar 26 | <b>Computing inflationary predictions in general scalar-tensor theories</b><br>Webinar for the <i>Elusives</i> Network   |
|      | Mar 6  | Astro Lunch Seminar, <i>Kavli Institute for the Physics and Mathematics of the Universe (IPMU), The University of Tokyo.</i>   |
| 2017 | Nov 2  | <b>Generalized slow-roll approach for Horndeski inflation</b><br>Journal club seminar, Astrophysics group (hosted by Bruno Moraes and Will Hartley).<br><i>University College London</i> |
|      | Nov 1  | <b>Theoretical Cosmology Meeting</b> , <i>Institute for Cosmology and Gravitation</i> (hosted by David Wands).<br><i>University of Portsmouth</i>  |
|      | Sep 6  | <b>Group seminar</b> , <i>Institute de Physique Théorique</i> (hosted by Filippo Vernizzi).<br><i>CNRS, Saclay</i>   |
|      | Aug 9  | <b>Group seminar</b> , <i>Center for Computational Astrophysics (CCA)</i> (hosted by Francisco Villaescusa).<br><i>Flatiron Institute, New York.</i>                                     |
|      | Jun 8  | <b>Special seminar</b> , <i>Lawrence Berkeley National Laboratory</i> (hosted by Shirley Ho).<br><i>University of California at Berkeley</i>   |
|      | Jul 27 | <b>Generalized slow-roll inflation</b> (Blackboard talk)<br><b>Chalk talk series</b> , <i>Fermilab Center for Particle Astrophysics.</i>   |
| 2016 | Feb 24 | <b>Do current data prefer a nonminimally coupled inflaton?</b><br><b>54th Schladming Winter School of Theoretical Physics</b>  |
|      | Feb 9  | <b>Single-Field Slow-Roll Inflation: a review and some particular aspects</b> <a href="#">[Link]</a><br><b>Students Seminar series</b> , <i>(IFIC) – University of Valencia.</i>         |
| 2013 | May 7  | <b>Quantum Chaos in the Dicke Model</b><br><b>Special seminar</b> , <i>Faculty of Physics – University of Veracruz.</i>  |
