

September 21, 2017

Hector Ariel Ramirez Rodriguez
Hector.Ramirez@ific.uv.es

To whom it may concern:

With this letter I confirm that Hector Ramirez visited the Center for Computational Astrophysics in New York city from August 7th to August 22nd. Hector gave a seminar during our weekly cosmology group meetings.

Sincerely,

A handwritten signature in black ink, appearing to read "Francisco", with a stylized flourish above it.

Francisco Villaescusa-Navarro
Center for Computational Astrophysics, Flatiron Institute
