To whom it may concern,

This letter certifies that Héctor Ramírez has visited the Lawrence National Laboratory of Berkeley, CA, on 8 and 9 June 2017 and has given a seminar titled "Generalized Slow-Roll approach for Horndeski gravity".

Please, do not hesitate to contact me for further information.

Sincerely yours,

Elena Giusarma

A handwritten signature in dark ink, reading "Elena Giusarma". The signature is written in a cursive, flowing style.
