

Conference talks

2018	Apr 18	Computing inflationary predictions in general scalar-tensor theories [Link] BritGrav18 meeting , <i>Institute of Cosmology and Gravitation, University of Portsmouth.</i>
	Feb 13	Generalized slow-roll approach for Horndeski inflation [Link] Gravity and Cosmology 2018 , <i>Yukawa Institute for Theoretical Physics, Kyoto University.</i>
2017	Sep 13	Meeting on Fundamental Cosmology , <i>Centro de Estudios de Física del Cosmos de Aragón.</i>
	Aug 30	COSMO-17 , <i>Paris Diderot University.</i>
2016	May 25	Do current data prefer a nonminimally coupled inflaton? [Link] Planck 2016 , <i>University of Valencia.</i>

Seminars

2018	Dec 12	Inflation beyond GR [Link] 2nd Valencia Winter Workshop on Theoretical Physics, <i>University of Valencia.</i>
	Oct 16	Theoretical seminar , Theory Group (hosted by Vincent Vennin). <i>APC – Paris Diderot University</i>
	Mar 26	Computing inflationary predictions in general scalar-tensor theories Webinar for the <i>Elusives</i> Network
	Mar 6	Astro Lunch Seminar, <i>Kavli Institute for the Physics and Mathematics of the Universe (IPMU), The University of Tokyo.</i>
2017	Nov 2	Generalized slow-roll approach for Horndeski inflation Journal club seminar, Astrophysics group (hosted by Bruno Moraes and Will Hartley). <i>University College London</i>
	Nov 1	Theoretical Cosmology Meeting , <i>Institute for Cosmology and Gravitation</i> (hosted by David Wands). <i>University of Portsmouth</i>
	Sep 6	Group seminar, <i>Institute de Physique Théorique</i> (hosted by Filippo Vernizzi). <i>CNRS, Saclay</i>
	Aug 9	Group seminar, <i>Center for Computational Astrophysics (CCA)</i> (hosted by Francisco Villaescusa). <i>Flatiron Institute, New York.</i>
	Jun 8	Special seminar, <i>Lawrence Berkeley National Laboratory</i> (hosted by Shirley Ho). <i>University of California at Berkeley</i>
	Jul 27	Revisiting slow-roll inflation (Blackboard talk) Chalk talk series , <i>Fermilab Center for Particle Astrophysics.</i>
2016	Feb 24	Do current data prefer a nonminimally coupled inflaton? 54th Schlading Winter School of Theoretical Physics
	Feb 9	Single-Field Slow-Roll Inflation: a review and some particular aspects [Link] Students Seminar series , <i>(IFIC) – University of Valencia.</i>
2013	May 7	Quantum Chaos in the Dicke Model Special seminar, <i>Faculty of Physics – University of Veracruz.</i>
